

Smart Core Reports for Students

My Triand allows Teachers to print Smart Core letters for their High School students so students can create an account and view their Smart Core report.

Teachers

When you log in to My Triand, click on students in the menu.

Select "Find students in my classes" to view a list of your students. Leave the Search Records box blank if you wish to print a Smart Core letter for each student; search for a specific student by name if you wish to print a letter for an individual student.

High School students should follow the instructions on the letter to create an account. *(Please be familiar with the following step in order to assist your students if necessary.)*

Students:

Go to triand.com and click "plans & pricing" in the top left part of the screen.

use released state tests in your classroom

in 12 seconds create your own custom quiz from a state released test

Test your students, not your patience

With **pre-created, pre-tested tests** you can look it over and run with it. No need for you to enter in your own questions, use ones that were okayed by state education agencies and **feel confident with the test**

Small effort, amazing tests

Comprehensive **state released test** to short **classroom quiz** with a **couple of clicks**. Spend time with your students and not with a messy text editor. We've got **professional formatting** covered.

One place, hundreds of tests, instant access

Find a state released test for your class **in seconds**. Need to test about fractions on a number line? Or forming mental pictures to reflect

Click the "Sign up!" button under the Free section.
